

## PLEASE

### Verse 1

Please let my love find you  
It's the only thing I really want  
Human lives are so strange  
With their building up and tearing down

### Verse 2

You think you can control it  
Your destiny is yours to be  
Limitations all around you  
How can this really be?

### Chorus 1

There's bound to be another state of mind to follow  
Release us from this prison cell  
Please train us to be free  
Please train us to be believe  
Please!

### Verse 3

Let it all pass through you  
All the sorrow, anger, hate and fear  
Let my love just find you  
It's the only thing I really want

### Bridge

Ohh!  
The only thing I really want, only I really want  
Ohh!  
The only thing I really want, only I really want

### Verse 3

Then we'll find a new place  
An oasis full of peace and love  
We can stay forever  
And finally be free again

### Chorus 2

There's bound to be another state of mind to follow  
Release us from this prison cell  
Train us to be free  
Train us to believe  
Please!  
Train us to be free!  
Release us from this prison cell  
Train us, to be free --- Release us from this pain - today
