

GIVE ME A MIRACLE

Ahhhhhhh

Everyone feels it has begun,
moving from the shadows into the sun
this modern race is out of date
so let's be new, let's be strong

I wanna go to where it's free
to speak my mind with no regrets
I wanna feel what's really real
ya ya ya ya , ya ya uhhhhhhh

This modern race, is out of date,
so let's be new and let's be strong
we wanna go, to where it's free
to speak our minds with no regrets

We wanna feel what's really real
we wanna spin the fortune wheel

Everyone feels it has begun,
moving from the shadows into the sun
this modern race is out of date
so let's be new, let's be strong

I only go to where it's free
to speak my mind with no regrets (moving from the shadows)
I wanna feel what's really real
ya ya ya ya

This modern race, is out of date,
so let's be new and let's be strong
we wanna go, to where it's free
to speak our minds with no regrets

We wanna feel what's really real
we wanna spin the fortune wheel

la la la la la

Give me a miracle !
Not another gadget!

This modern race, is out of date,
so let's be new and let's be strong
we wanna go, to where it's free
to speak our minds with no regrets

We wanna feel what's really real
with no regrets we wanna know just how it feels.

We just wanna know, just wanna know..

This modern race, is out of date,
so let's be new and let's be strong
we wanna go, to where it's free
to speak our minds with no regrets
